

GG Organics at IFLE and ACLE 2023

We are delighted to announce that GG Organics will be exhibiting at 2 consecutive leather fairs: the IFLE Vietnam and the ACLE Fair. These events provide the perfect platform for us to showcase our latest leather products and cutting-edge solutions, reaffirming our dedication to excellence, sustainability and innovation in the industry. Join us at these exceptional fairs:

IFLE 2023:

Hall B – D11, July 12-14, 2023 in Ho Chi Minh City, Vietnam

GG Organics is thrilled to be part of the IFLE Vietnam Fair in the vibrant city of Ho Chi Minh. This renowned event brings together top manufacturers, suppliers, and industry experts, providing an exclusive opportunity to explore our exceptional collection of premium leather articles. Immerse yourself in the world of sustainable and stylish leather fashion at our booth.

ACLE 2023:

Hall B - E02-E11b, August 29-31, 2023 in Shanghai, China

The ACLE Shanghai Fair is eagerly anticipated in the leather industry as it marks its return after three years, and GG Organics is proud to be a part of this prestigious event. Witness our innovative technical breakthroughs that seamlessly blend fashion and functionality. Visit our booth to explore our premium collection of leathers based on our two new brands, SUSTAN and BENITAN, and witness the future of leather craftsmanship. The SUSTAN range comprises bio-based chemicals for making sustainable and biodegradable leather, while our BENITAN products are based on low bisphenol retanning syntans, addressing recent regulatory restrictions in ECHA. We are excited to demonstrate how GG Organics is paving the way for a more sustainable and fashion-forward leather industry. Meet our technical experts, gain insights into the latest trends, and explore the remarkable world of premium leather.
